

Hello everyone,

I hope you're all enjoying a wonderful summer, filled with sunshine and great memories. As we soak up these last few weeks of warmth, it's amazing to think that fall is just around the corner. The changing leaves and cooler days are on their way, bringing a new season of experiences and opportunities. I'd love to hear how your summer has been and what you're looking forward to in the fall. Let's make the most of this transition together!

Sincerely,  
Sheila Tan  
Executive Director
